

No one intends to become upset, frustrated or resigned when they begin a relationship. No matter what kind of relationship, we just don't put any of that stuff in our plans. So why do those things inevitably happen in all relationships?

---

Presents

## RELATIONSHIPS: THE REAL DEAL

an evening event designed to illuminate what is shaping relationships behind the scenes, leaving you with understanding, compassion and appreciation for the people in your relationships – including yourself

---

The event is being presented by Sandy and Lon Golnick, who together have created a unique approach for exploring and transforming the nature and design of relationships and families. They offer a variety of workshops, as well as private coaching, through Relationship & FamiliesByDesign, LLC.

*"Exploring relationships with Sandy and Lon is the smartest investment in relationship you'll ever make." Penny Berman*
