RELATIONSHIP: THE MISSING LINK! A two-day workshop that transforms relationships

Get...

- an understanding of the fundamental nature and design of all relationships.
- surprising insights into the source of frustration, indifference and estrangement in relationships.
- a simple yet uncommon approach to being in naturally adventurous and fulfilling relationship.

Get free of...

- the hundreds of "solutions" that do not produce what they promise.
- being locked into misunderstandings that exacerbate problems you are trying to resolve.

Participate...

In a group of about a dozen twosomes of all kinds - couples, siblings, work colleagues, friends, etc. - in fun and engaging questions, conversations and exercises which illuminate the source of the ordinariness in relationships (hint: it's not you or your partners!), and spark an exciting new appreciation for - and access to - extraordinary relationship!
